

Adopt A Camp2012

Two groups from Tristar offered voluntary services in this year's edition of the Adopt-A-Camp wherein 5,050 'Care Packages' and other goods were distributed to over 10,000 laborers in Dubai on 9th August. The first batch was composed of corporate staff who helped unload hundreds of boxes containing food items, home apparels and personal hygiene products at one of the exhibition halls of the Dubai World Trade Center.
