

Tristar celebrates World Environment Day 2012

Tristar celebrated World Environment Day (WED) 2012 on 5th June with a program on this year's theme "Green Economy: Does it include you?" The program ended with the signing of the WED banner by UAE-based staff committing their support to the energy saving measures and recycling ideas presented by various department heads. The overseas branches in Oman, Qatar, Kuwait, Pakistan, Guam, Haiti, Kenya, S. Sudan and Congo also conducted a similar program, including planting tree seedlings and sharing rides going to and from the office.
