

AFAL opens its 6th fuel and retail station

The 6th Africa Fuels station was inaugurated in the county of Kisumu in Kenya. The other five fuel stations are located in Kisumu, Maasai Road, Nakuru and Eldoret in Kenya, and in Kampala, Uganda. Caltex lubricant products including the Delo and Havoline brands are available in all six locations. Other services being offered across the stations include quick oil change, car wash and technical consultation on application of lubricants.
