## Group CEO Eugene Mayne No. 13 in Power List

Mr. Eugene Mayne has maintained his no. 13 ranking in the latest Logistics Middle East Magazine Power List. A total of 50 individuals have been recognized as the most influential executives in GCC logistics. According to the magazine's editor, the executives were ranked 'not just according to the size of the company they manage, but according to the influence they have over the regional logistics puzzle'. This is the seventh consecutive year Mr. Mayne has been in the list, ranking no. 22 in 2013.
