

Tristar's multi- logistics polymers facility in Jebel Ali Free Zone (JAFZA) South

The commissioning of Tristar's multi- logistics polymers facility in Jebel Ali Free Zone (JAFZA) South offers better time in market delivery because of the location's direct access to Jebel Ali Port, Maktoum International Airport (DWC), and in the future, to Etihad Railways. The strategic location will give it an advantage when serving global customers for imports, exports and re-exports.
