

Tristar Supports 'Be Safe' Campaign at Port of Sohar

Tristar Group CEO Eugene Mayne addressed the opening of the safety conference in Sohar with the theme 'Be Safe' held at the Sohar Industrial Port Industrial (SIPC) auditorium on March 27.

An international training consultant on Road Risk Management from UK-based RoSPA (Royal Society for the Prevention of Accidents) was brought in by Tristar to discuss about 'Safety Leadership' and 'Road Transport Safety' on the same day.

On March 28, Tristar GM for HSE, Quality and Sustainability Muhammad Akber shared Tristar's HSE good practices with the participants who represented the 30 plus companies operating at the Port of Sohar. Tristar also arranged the appearance of Capt. Stephen Bligh of Det Norske Veritas who spoke on 'Terminal Safety Operations'.

Tristar also participated in the exhibition displaying its HSE good practices and various business operations. The event was coordinated by Saji Nair, Manager – Marine Services, and Aneesh Manakkathodi, Tristar Marine Services officer.
