

Tristar UAE staff volunteer at special needs center

In celebration of World Humanitarian Day, 20 staff from Tristar UAE volunteered their time by assisting in the activities of the Senses Residential and Day Care Centre, as part of Tristar 'My Social Responsibility' program. The institution is the first and only residential care facility for special needs in the UAE and the Middle East with specialized programs that combine speech and music therapy, art, life skills, sports and physiotherapy for children from the age of two to 19 with mild or severe physical disabilities and Down Syndrome.
