Tristar Group's two warehouses located in the Jebel Ali Industrial Area 1 and 2 were awarded 5-star rating by Dubai Multi Commodities Centre (DMCC) for the second and third consecutive years, respectively. Tristar GM-Road Transport and Warehousing, Shivananda Baikady, said: "Our specialized warehousing facilities are designed to accommodate and handle dangerous and non-dangerous goods with stringent adherence to health, safety and environmental standards. We are proud to receive DMCC's consecutive 5-star rating for our warehouses in industrial areas 1 and 2. It is a reflection of excellence in our day to day operations.
